

United States Expansion (Land Acquisition) Map

Label each numbered region on the map and complete the chart on the back explaining the details of how each area became part of the United States.

Source: Robert A. Divine et al., *America: Past and Present*, Scott, Foresman (adapted)

Region	Name of the region or territory 2 Pts/Box	From whom did the U.S. acquire the region	How did the U.S. acquire the region? If a war was involved, which one? Treaty?	When did the U.S. get the land? (Date)	What did the region cost the U.S.? (Not always \$\$)	At the time it was acquired, why did the U.S. want it? (Manifest Destiny is not enough)
1					Lives lost in the war, huge debt	
2						To avoid a war with France over the Port of New Orleans
3				1819	N/A	
4		Texas				
5			Deal to split Oregon in half (Treaty of 1846)		Gave up land between 49° and 54° N parallel	Rich land
6						
7
